On \_\_\_\_\_ one \_\_\_\_\_  
cat/kitten born \_\_\_\_\_ was sold as potential \_\_\_\_\_  
quality for the sum or terms of \_\_\_\_\_. Deposit \_\_\_\_\_. Amount Due \_\_\_\_\_.  
Innoculations: \_\_\_\_\_;

Mikyttens Cattery is a leukemia free cattery. All cats/kittens brought in are isolated and tested for leukemia. Therefore, no kittens are given the leukemia test or vaccination.

This cat/kitten carries a health guarantee for forty-eight (48) hours from the time of sale, or if shipped from the time of shipment to destination. This guarantee is valid only if the above cat/kitten is found to be unhealthy by a licensed veterinarian within the forty-eight (48) hour period.

If a veterinarian finds the above cat/kitten unhealthy within the allotted time, it will be replaced with a cat/kitten of comparable quality (as available). A report from the veterinarian must accompany the cat/kitten at the time it is returned. The cat/kitten must be returned to the SELLER within twenty-four (24) hours of the veterinary report.

Under no circumstances will Mikyttens Cattery be responsible after forty-eight (48) hours, or for any expense incurred in connection with the care of the cat/kitten through veterinary bills, shipping/handling costs, or any other type of expense. It is the sole responsibility of the buyer for whatever expense is necessary to return said cat/kitten.

It is further agreed that this cat/kitten, or if sold as a Breeder, any of its kittens, WILL NOT be sold, leased, traded, or given to any pet shop, research laboratory, kitten mill, dealer (buyer of litter lots), or similar facility. The BUYER promises to provide the cat/kitten with responsible care, to protect it from hazards and to keep it inside the house.

If the BUYER decides to sell or give the said cat/kitten away, the SELLER has first right of refusal to purchase the cat/kitten for a sum no greater than the original purchase price (above).

1. This cat/kitten will be an indoor cat/kitten and not be allowed to roam freely outside, and will not be declawed unless absolutely necessary.
2. Allergies to cats/kittens are the responsibility of the BUYER.

3. Mikyttens Cattery will replace any cat/kitten free of charge (except for shipping, healthy certificate(s), and handling costs), if the following conditions are met: **WITHIN ONE (1) YEAR OF BIRTH:**

A. A veterinarian attributes the death to a genetic deformity determined at autopsy.

B. A copy of all veterinary records (including autopsy report) must be forwarded to Mikyttens Cattery. NOTE: The autopsy shall be performed at owners' expense and is not refundable.

C. If said cat/kitten is found to have a genetic deformity within one (1) year of birth, a second opinion from another licensed veterinarian may be requested by SELLER.

D. Mikyttens Cattery guarantees all cats/kittens are healthy when they leave the cattery. No refunds or exchanges on any cat/kitten will be made after the cat/kitten leaves the cattery. We are proud to maintain as closed a colony as possible and cannot reintroduce a cat/kitten (after 24 hours) that has been exposed to an environment beyond our control.

I have read, understand, and will comply with the above agreements.
